

Dearham School Nursery

Is your child 3 before 31st August?

We offer 30 hours provision in our purpose built nursery.

We encourage our children to become naturally inquisitive.

We have our own secure wood and large outdoor area where the children can access a range of activities whatever the weather!

The children have access to all areas of the classroom, both inside and outside and are able to follow their own interests. We talk and listen to them and play with them to support their development.

We make sure their learning is always fun! Whether they are creating their own little world or their own masterpiece, every experience is a learning opportunity.

We sometimes work with the older children, like on our recent visit to Maryport library. They love coming to help the Nursery children.

Engineers, scientists, designers, authors and artists; we want to meet them all and be the first step on their journey through education!

So if you would like to come and see what we do
please contact the office on 01900 812518 or
admin.dearham@chaninglives.education

Our door is open.
