Dear Parents/Carers,

Firstly, Happy New Year to you all. I hope that you had a lovely break and enjoyed spending time with your friends and family over the festive season.

It is an honour for me to be writing to you to introduce myself as the new Headteacher of Dearham Primary School. I am delighted to be joining such a warm and friendly community and am looking forward to leading the school on the next stage of its journey. It is evident that Dearham is a special place and I have been overwhelmed by the wonderful welcome from the pupils and staff during my first day here. Children are at the heart of everything that we do and my role is to ensure that all pupils are able to thrive, personally and academically.

Originally from North Wales, I have been teaching for over thirty years, both in the UK and at British Schools internationally, in Indonesia, France and most recently, Egypt. Each of the schools that I have worked in have been British National Curriculum schools and have given me a breadth of enriched experiences, that I will bring with me to Dearham.

Whilst writing, I would like to take this opportunity to request your support in ordering school lunches online and making your menu selection with your child at home, before they come to school. This will ensure that your child is provided with their chosen meal and will avoid the loss of valuable teaching time in the classroom. To do this, please log on to Scopay: <https://www.scopay.com/landing>

I strongly believe that education is a partnership and value the important role that parents have to play. I will continue to update you regularly through the weekly newsletter, which will be published on the school website each Friday, starting next week. I look forward to meeting you in person in the near future but in the meantime, if you have any questions, comments or concerns, please feel free to contact me via the school office.

Kind regards,

Mrs. S. Busigny

Headteacher
